## Coop Pank

### Kiire ülevaade

- **Summa:** 300 € - 15 000 €
- **Periood:** 6 - 72 kuud
- **Kinnitus:** 15 minutiga

The screenshot shows the Coop Pank website interface. At the top, there is a navigation bar with the Coop Pank logo and menu items: Eraklient, Äriklient, Coop Pank, and Coop. On the right, there are search, user profile, and language (EN, RU) icons, along with buttons for 'INTERNETIPANK' and 'TULE KLIENDIKS'.

The main content area features a 'Väikelaen' (Small loan) section. It includes a sub-header 'Väikelaen' and a brief description: 'Elus võiks olla sagedamini nii, et mida tahad, seda ka saad. Coop Pangast saab väikelaenu, mida kasutad just nii, nagu Sulle sobib. Tagarist ei ole vaja ja vastuse taotlusele saad loetud sekunditega!' (In life, it would be more often like this, that what you want, you get. From Coop Bank you can get a small loan, which you use just as you like. No backdoor and you get the answer to your application in seconds!).

Below the description are four key metrics:

- Intress alates 8,9%** (Interest from 8.9%)
- Summa kuni 15 000€** (Sum up to 15,000€)
- Periood 6-72 kuud** (Term 6-72 months)
- Vastus sekunditega** (Response in seconds)

To the right is a 'Laenukalkulaator' (Loan calculator) widget. It shows a slider for 'Laenusumma' (Loan amount) set to 4000 EUR, with a range from 300 EUR to 15000 EUR. The 'Periood' (Term) is set to 12 kuud (12 months), with a range from 6 kuud to 72 kuud. Below the sliders, it displays 'Esiteaotlus kohe ja saad vastuse sekunditega' (Apply now and get the answer in seconds) and 'Kuumakse 351 EUR' (Monthly payment 351 EUR). There are buttons for 'ISETEENINDUS' (Apply) and 'ESITA TAOTLUS' (Apply now). A small note at the bottom of the calculator says: 'Arvutus on ligikaudne ja võib erineda Sulle pakutavast tingimusest.' (Calculation is approximate and may differ from the offered conditions).

At the bottom of the page, there is a promotional banner with the text 'Raha kätte samal päeval' (Money in hand on the same day) and a woman's face. A small chat bubble on the right says: 'Vajad väikelaenu? Oleme siin, et vastata Sinu küsimustele.' (Need a small loan? We are here to answer your questions.).

## Tüüpiline näide

Kui oled taotlenud laenu tagasimakse tähtajaga 6 kuud summas 300€, maksad tagasi 312€. Vahendustasu 12€.
