The screenshot shows the Coop Pank website interface. At the top, there is a navigation bar with the Coop Pank logo and menu items: Eraklient, Äriklient, Coop Pank, and Coop. On the right, there are search, user, and language (EN, RU) icons, along with buttons for INTERNETIPANK and TULE KLIENDIKS.

The main content area features a 'Väikelaen' (Small loan) section. It includes a sub-header 'Väikelaen' and a brief description: 'Elus võiks olla sagedamini nii, et mida tahad, seda ka saad. Coop Pangast saab väikelaenu, mida kasutad just nii, nagu Sulle sobib. Tagarist ei ole vaja ja vastuse taotlusele saad loetud sekunditega!' (In life, it would be nice to have what you want, and you get it. From Coop Bank you can get a small loan, which you use just as you like. No backdoor and you get the answer to your request in seconds!).

Below the description are four key metrics:

- Intress alates 8,9%
- Summa kuni 15 000€
- Periood 6-72 kuud
- Vastus sekunditega

To the right is a 'Laenukalkulaator' (Loan calculator) widget. It shows a loan amount of 4000 EUR, a period of 12 months, and a monthly payment of 351 EUR. There are buttons for 'ISETEENINDUS' and 'ESITA TAOTLUS'. A note at the bottom of the calculator says: 'Arvutus on ligikaudne ja võib erineda Sulle pakutavast tingimusest.'

At the bottom of the page, there is a promotional banner with the text 'Raha kätte samal päeval' (Money in hand on the same day) and a woman's image. A small chat bubble on the right says: 'Vajad väikelaenu? Oleme siin, et vastata Sinu küsimustele.'
